THIRTY-THREE APPLICANTS ARE GRANTED LICENSES

State Board of Pharmacy Announces
List of Successful Applicants
for Licensure.

ONE GREEK IS LICENSED
Graduate of Athens School of Pharmacy Passes Tests Successfully. Through Medium of Interpreter. Annual Meeting of Board Monday.

Thirty-three of the fifty-one applicants for licenses as registered and assistant pharmacists, who took the examinations Tuesday and Wednesday, have successfully stood the tests, and will receive certificates from the State Pharmacy Board. Of this number, twenty-two will be licensed as full registered pharmacists and eleven as registered assistants.

Among those who will get certificates as full registered pharmacists is Elias G. Pipinos, a native of Greece, now living in Hopewell. Mr. Pipinos is a graduate of the Athens School of Pharmacy and has had twenty-seven years' experience in the profession in his native country. Unable to use the English language proficiently, Mr. Pipinos was given part of the examination orally through the medium of an interpreter.

The examiners found that there was little substantial difference between the principles of pharmacy as taught in the two countries, and that except for his handicap in English, the Greek applicant was thoroughly qualified. His grade, said Field Secretary Brandis, yesterday, was above the average.

WILL HOLD ANNUAL MEETING ON MONDAY

The State Pharmacy Board will hold its annual meeting in this city Monday. At this meeting will be installed Charles T. Fox, of Roanoke, as a member of the board to succeed C. P. Kearsfoot, whose term has expired. Mr. Kearsfoot has served as a member of the board for ten years. The other members of the board are: Walter L. Lyle and J. E. Jackson, of the State Pharmacy Board; H. S. Arrington, of Norfolk; president; T. A. Miller, of Norfolk; secretary-treasurer; and E. L. Brandis, of Richmond, field secretary.

Among the important matters that will receive the board's attention at its annual meeting will be the application of R. J. Howard, of Greenville, for reinstatement as a registered pharmacist. Mr. Howard's license was cancelled by the board last April when he was convicted in the Magistrate's Court at Greenville of violating the laws governing the sale of narcotics.

An application for reinstatement has already been filed with the board. Mr. Howard's behalf. A list of the successful applicants for licenses as registered and assistant pharmacists follows:

Registered Pharmacists—A. B. Garber, North Emporia; C. W. Powers, Roanoke; Harold Thornton, Powhatan; R. B. Armstrong, Charlottesville; O. H. Preston, Richmond; H. Morris, Norfolk; A. A. Robinson, colored, Richmond; C. T. Morrow, Jr., Danville; John A. Coffield, Portsmouth; Fred E. Willis, Richmond; P. D. Hale, Blacksburg; H. B. Harris, Richmond; E. P. Berlin, Richmond; H. A. Moore, Richmond; J. H. Patterson, Richmond; T. M. Roberts, Richmond; W. A. Thomson, Lynchburg; C. E. Jones, Norfolk; A. F. Waltzinger, Jr., Baltimore; B. A. Krusniak, Baltimore; H. C. Hisey, Shenandoah, and Elias G. Pipinos, Hopewell.

Registered Assistants—E. S. Hancey, Jr., Richmond; George W. Reed, Roanoke; William T. VanPelt, Norfolk; J. R. Hawthorne, Jr., Richmond; L. R. Shadwell, Richmond; J. G. Repass, Richmond; R. S. Hopkins, Richmond; Marcellus Miller, Richmond; C. B. Geister, Richmond; C. W. Wightman, Richmond, and R. M. Cullis, Richmond.

COLE PAYS FEE

Will Oppose Representative E. E. Holland, From Second District of Virginia.

J. Edward Cole, of Norfolk, yesterday paid to Auditor Moore his primary fee as a candidate for election to the United States House of Representatives from the Second District. Mr. Cole sent a check for \$150. He will be a candidate to succeed Representative E. E. Holland, Aspirant.

Sixty days before the August primary to serve notice of candidacy, and other announcements from the Second District are expected.

So far Mr. Cole and Senator Claude A. Swanson are the only men who have paid their fees and qualified as candidates in the coming congressional primaries. A check from Mr. Swanson was received by Auditor Moore several days ago.

LABOR LAW CASES

Inspectors Report Additional Warrants Served in Norfolk and Conventions in Portsmouth.

Inspectors of the State Labor Department reported to the commission yesterday the warrants issued for additional firms and individuals in the eastern part of the State for violations of different sections of the labor law. At the instance of Miss Lillie M. Barclay, warrants have been issued in Norfolk against Dean & Miller, and the Union Clothing Store for violations of the ten-hour law, and against the Hub Clothing Store for the violation of the child labor law. The cases will be heard on April 25.

Inspector J. B. Clinebush reported the conviction in Portsmouth of the Portsmouth Machine Works and D. Sullivan for violations of the safety appliance regulations. Each was fined \$5 and costs.

Under the provisions of the law, ten days are allowed for the installation of the lacking safety appliances. If the machines at the two Portsmouth plants are not properly protected within that time, they will be closed down by the Labor Department and kept closed until the installations required by law are made.

RECOVERS DAMAGES

Louis Diggs, of Norfolk, yesterday recovered in the Norfolk Circuit Court from W. H. Jackson, also colored, the sum of \$127 as damages for injuries sustained in a head-on collision between Diggs' wagon and Jackson's automobile. The smash-up occurred on the Mountain Road, just beyond Glen Allen.

Attorney H. Carter Reid represented the plaintiff, and Attorneys Sands and Swartzout appeared for the defendant.

CHANDLER IS OPPOSED TO MOVIE ORDINANCE

Superintendent of Schools Protests That He Has Not Time for Such Duties.

COMMITTEE WILL HEAR MAYOR
Recommend Ordinance Allowing Pawnbrokers to Deal in Firearms Under Certain Restrictions—Must Keep Register of Sales by Number.

Rather than immediately to recommend the creation of a new board at a time when the city is attempting to lessen the number of its departments, and at the same time to increase their efficiency, the Ordinance Committee has postponed action on the proposed ordinance establishing a censorship for motion-picture reels until Monday night, May 8. At that time, on the suggestion of Councilman Edgar H. Ferguson and the motion of Councilman Edgar B. English, the committee should hear from Mayor Anselle and members of the Board of Police Commissioners and from the City Attorney. The City Attorney will be asked to render an opinion as to the power of the City Council in creating new boards, or departments, of the city government.

Superintendent of Schools J. A. C. Chandler, under whom the proposed censorship would be placed, appeared before the committee and delivered six statements, the sixth being one in which he urged that the movie censorship be placed under the School Department. He said that he was fully in sympathy with the movement, but the sum of his argument against having the new duty thrust upon himself or the School Department was that neither he nor any member of the department had time for the extra work.

HAS NOT TIME FOR SUCH ADDITIONAL LABOR

He said, in substance, that he would not have time for the additional labor; that, if it were forced on him, he would have to obey the mandates of the City Council and divide his time, to the detriment either of his school work or of his duties as superintendent. He was willing to accept compensation for the censorship duty, that if it were made a matter of school jurisdiction, he would prefer that the censorship be placed under the department as a whole, rather than upon the superintendent; that if the ordinance were passed, it would require the appointment of an additional clerk in the summer when teachers and officers of the department are out of town; lastly, he said that he hoped movie-picture censorship would not be added to his duties as those of the department. Dr. Chandler stated to the committee that if the movies were censored, it would increase attendance upon them. He said that 75 per cent of those who see movies are women and children, and suggested that a censor should be appointed to see that the morals of the play depicted and shown were to be considered he thought the women would be easier on the picture than would be a board of men.

TO GET MORE MONEY

Mrs. Georgia May Johnson, of the Social Service Federation, representing the United Seventh-day Adventists, spoke for Justice J. Hoge Ricks, of the juvenile and Domestic Relations Court. She quoted Justice Ricks as saying that he had known children to steal in order that they could bring children before the committee to prove his statement. Judge Ricks was prevented from appearing before the committee by illness in his family.

John P. McGuire agreed that censorship ought to be established, but thought that Dr. Chandler would not have time for the extra duties. He established if a censorship board were established it would require the appointment of an additional clerk in the summer when teachers and officers of the department are out of town; lastly, he said that he hoped movie-picture censorship would not be added to his duties as those of the department.

Dr. Chandler stated to the committee that if the movies were censored, it would increase attendance upon them. He said that 75 per cent of those who see movies are women and children, and suggested that a censor should be appointed to see that the morals of the play depicted and shown were to be considered he thought the women would be easier on the picture than would be a board of men.

WOULD ALLOW PAWNBROKERS TO HANDLE FIREARMS

The committee then turned its attention to the subject of guns, goats, catmen and other beasts of the field, recommending the rejection of an ordinance which would require that all firearms be sold through the streets only at specified times and on specified dates. An ordinance repealing an ordinance forbidding pawnbrokers from accepting firearms as pledges and from their sale, was recommended, and another requiring pawnbrokers to keep a register of the names of those from whom they buy firearms and to keep a register of the manufacturer's number on the weapon was recommended.

ASKS FOR PRICE

Administrative Board Takes Up Question of Acquiring Suburban Utilities and Invites Proposals.

Question of the advisability of purchasing the Henrico County Gas Company's works and the plant of the Lewis Ginter Land and Improvement Company having been referred to it by the Committee on Public Buildings, Properties and Utilities, the Administrative Board yesterday directed Clerk Dunford to inquire of the two companies the price they would accept for their properties. The Brookland House Drainage Corporation was also requested to make a price for its property.

BAPTIST BIBLE CLASSES WILL ORGANIZE TO-NIGHT

Initial Meeting of Newly Formed Federation to Be Held at Second Baptist Church.

Beginning at 8 o'clock to-night, at the Second Baptist Church, corner of Adams and Franklin Streets, the organization entertainment and convention social will be held by the newly formed Federation of Baptist Organized Churches.

The federation comprises in its membership the adult classes of all the Baptist Sunday schools of Richmond and vicinity. This organization was formed some months ago as an outgrowth of the Sunday School Association of Richmond, and has among its purposes the standardization and organization of Bible school classes along the uniform plan evolved after years of investigation by the Southern Baptist Convention. The federation also hopes to inaugurate a fuller and more general social intercourse between the different Baptist Sunday school classes of the city than has been possible heretofore.

The meeting to-night will be the first of a series of quarterly gatherings, and will partake more of the nature of an entertainment than anything else. A program comprising some of the best talent of the city has been arranged by C. N. Williams, who is one of the vice-presidents of the federation, and who, by virtue of his office, has charge of its social activities. Allen G. McCabe, president of the federation, will preside. Short talks will be made by John J. Wicker, Jr., and Douglass Wingfield, first and second vice-presidents, respectively, of the federation, explaining their respective duties. The program calls for many entertaining numbers, among which are some selections by the Richmond College Quartet.

The federation extends a cordial invitation to all members of Baptist adult Bible classes to be present, whether their class has joined the federation or not.

A number of applications have already been received by F. W. Gwaltney, the federation secretary, and a number are expected to be turned in to-night as the result of the city-wide campaign for membership, which has been waged during the past three weeks.

WYATT IS FINED

Henrico County Man Convicted of Assaulting Negro Who Asked for His Son's Wages.

William Wyatt, who lives in the vicinity of Henrico, was yesterday fined \$10 and costs by Magistrate H. S. Sunday, of Henrico, for assaulting William Jackson, colored. A warrant sworn out by Wyatt, charging Jackson with trespass, was dismissed. Before Magistrate Sunday, Wyatt became very angry when asked by Jackson for wages due him for the care of his fourteen-year-old son, and made visible expressions of his feelings by snatching the negro in the face.

Wyatt said the negro was impudent, and he lost control of his hands when Jackson called him a liar. Both men swore out warrants after the fracas, the one charging assault and the other alleging trespass. The arrests were made by Policeman W. P. Jones.

STOCKHOLDERS TO MEET

Chesapeake and Ohio Owners to Vote on Plan for Increasing Stock To-Morrow.

Stockholders of the Chesapeake and Ohio Railway Company will meet in special session to-morrow morning at the company's offices in this city for the purpose of authorizing an increase in the capital stock of the railroad, and to sanction the issuance of a special convertible bond issue. The meeting was called several weeks ago by the board of directors.

The stockholders will be asked to authorize the increase of the capital stock of the Chesapeake and Ohio by the addition of \$55,000,000 to be divided into 550,000 shares of common stock, making the outstanding common stock of the company \$155,000,000. The convertible bond issue will be for \$40,180,000 for the special purpose of redeeming the road's \$33,000,000 five-year notes outstanding since 1914, which it is desired to take up at this time through the issuance of long term bonds. The bonds, the sale of which will give the company between \$5,000,000 and \$6,000,000 additional working capital after redeeming the notes, will be issued for a period of thirty years.

Falls From Wagon

Taylor Bailey, sixteen years old, of 444 West Twelfth Street, South Richmond, fell from the grocery wagon of H. E. Kidd early yesterday afternoon at the corner of Twelfth and Bainbridge Streets, one of the wheels passing over his shoulder. The boy was not badly injured, and after receiving medical treatment was sent home, where he was reported as improving last night.

Anderson Tells of Relief Work

President of Virginia Association On Recent Visit to Headquarters in New York.

At the recent meeting of the War Relief Association of Virginia, the president, Henry W. Anderson, reported that on his last visit to New York, which had been made only a few days ago, he had called at the headquarters of some of the organizations for relief work, and especially on St. Mary's Needle Work Guild, which is under the personal patronage of the Queen, and which handles especially hospital supplies, antiseptics, anesthetics and everything for the comfort of English soldiers; also he had a long talk with Madame Grouitch, who has just recently returned from Serbia, and she told him very interestingly of the conditions now prevailing in that stricken country. Mr. Anderson reported that at last he had succeeded in getting off some of the tobacco shipments. England has placed an embargo on tobacco, so he decided, after consultation with others, to send some to the Canadian troops and 1,000 pounds to Sir William Allardice for use of the Bahamian troops.

The chairman of several of the committees made interesting reports of the work now in progress, and they showed that there is no let-up in the interest and enthusiasm of those who have worked so diligently in behalf of war relief. It was decided to continue the work of the association throughout the summer months, and the president advised that the members consider the suggestion of sending some one to travel throughout the State and organize branch organizations, the summer being the best time in the country districts and small towns for creating interest in this work.
